

ROMANTIC ROOM DESIGNS WAIVER OF LIABILITY

I, _____ (your name) a registered guest a _____ (“Hotel”) am hiring Romantic Room Design (RRD) to decorate my hotel room. I understand that I am granting them access to my room during my stay on _____ (date of room entry). I will not hold Romantic Room Designs or the Hotel liable for any loss of property or damages to my room during my stay. I have been advised by Romantic Room Designs that no personal items of value should be left in my room during the time of decoration. Romantic Room Designs will not be held responsible for any items missing from my room whether they be my own personal property or the property of the hotel.

In order to allow Romantic Room Designs access to my room, I shall advise the front desk on the date of decoration and add Brian Borgia (RRD agent) to my room registration folio. I will also advise the desk agent to allow the aforementioned Romantic Room Designer access to our room with a hotel escort only (to provide access to the room). I understand that an agent of the hotel will provide access to the room and that Romantic Room Designs will not be given a key.

I understand that in the event the room is not clean upon time of decoration (bed unmade and side tables not cleared off), a \$25 fee will be imposed by Romantic Room Designs in order to make the room presentable for the decoration.
